## SUPPORTING THE CATHEDRAL

While we are not able to worship together, our staff continue to be paid and are working behind the scenes to ensure that we stay connected and that appropriate pastoral care is being provided. With all of this the Cathedral continues to incur many of our usual expenses. Although we have experienced a drop in giving, we thank all of you who continue to use our pre-authorized monthly giving. We also want to thank those who have been faithfully mailing their gifts to us. You can also donate through our web site, [click here](#) and click on the "Donate" button. You will have the option of making a donation by PayPal or by credit card. Now you also have the option of **electronic transfer of funds** from

your online banking site by using [cathedral@niagaraanglican.ca](mailto:cathedral@niagaraanglican.ca)

This method of donation is easy, quick, efficient, and most of all, it's secure! Funds are deposited directly to the Cathedral's account instantaneously with a notification of the transaction sent to the Cathedral. Should you wish to direct your funds to a particular program, you may do so through a message block available as part of the process. All of these various means are an effective way to ensure our longer term health and continued presence in our community and beyond.

*Thank you for your continuing support!*

## Diocesan Identity Gets a Fresh New Look

ANGLICAN  
DIOCESE OF  
NIAGARA

The diocese has undertaken a refresh of their visual identity, complete with a new logo for social media (left), new colours, styles, and fonts. The new look is on their website, social media

platforms, and correspondence. The design process began back in January, as a way of visually signaling our collective work of renewal and the new direction for our diocese contemplated by our [Mission Action Plan](#), and its guiding statement:

**Called to Life – Compelled to Love.** The refresh represents a new and modern look, one which will help the wider world to identify our diocese and the vital ministry we undertake each day in our communities.
