## Cathedral Services

*As we are unable to worship together during the pandemic, we invite you to attend the following Cathedral services listed below.*

### Choral Evensong

*Choral Evensong offers an opportunity to gather and spend time in prayer while listening and participating in music that is especially selected to bring us into deeper understanding of the mysteries of our faith. Traditionally, Choral Evensong is based on the services held daily in the medieval church as arranged in the Book of Common Prayer of the Church of England. The liturgical language is more traditional and the choir sings "on behalf" of the congregation when it comes to the canticles, responses and psalms.*

## Centering Prayer Continues

Centering Prayer is a practice of contemplative silence. Its purpose is to develop comfort and ease with reaching inward, listening to heart, opening to spirit.
